• ABOUT THE JUDGES •

Mr Kevin P. Hirst (Kejana)

I have been involved with dogs all my life. My father used to race Greyhounds, but my first dog was a racing Whippet which I got for my 10th birthday. After she died we acquired a Bearded Collie cross which I started to do Obedience and Agility with, then followed a Border Collie who I started to show in the late 1970's.

In 1981 I got my first Miniature Longhaired Dachshund which started me off showing Hounds. Another followed in 1985 and during this time I was asked to handle the Ramlacim Beagles, which I showed into the mid 1990's with some success, making one of them into a Champion. I was also a co-owner of one of them.

I started judging Hounds in 1987 and around that time I did my first judging appointment in Basset Hounds which is where I got my interest in the breed. Since then I have judged Bassets and most of the other Hound breeds right up to the present day at Breed Club and Championship Show non CC level. I have also judged the Hound Group on several occasions at Open Shows until the Kennel Club changed the rules.

In 1989 we got our first Standard Longhaired Dachshund and at this time we also got our affix – Kejana. I have been showing this breed right up to the present day.

In 2007 my daughter got her first Basset Hound which joined our household and she has been followed by 3 more over the years. I have enjoyed handling them occasionally to some success along with my daughter and thanks to the addictive nature of the breed they seem to have taken over from the Dachshunds.

I would like to thank the Officers and Committee for giving me this opportunity to judge at such a special Club Show.

Mr Kevin P. Hirst

Miss Natalie Hirst (Kejana)

I have been involved in dogs all my life and they were my best friends and playmates when I was young. My earliest memories of showing was handling Beagles when I was around 3 years old. I also used to handle the family's Dachshunds at Breed Club and at Open Shows. Over the years I have handled lots of other breeds, not just Hounds, at Open Shows.

As I got older, I started to enjoy attending Seminars on different Hound breeds. My first experience of judging was at match-nights and I have also judged at Companion Shows and Stewarded at both Championship and Open Shows which I enjoy doing.

In 2007 I got a Basset Hound bitch from the Dereheath Kennels who is coming up to 11 years old and still enjoys being shown, she has won 2 CCs & 4 RCCs plus numerous BVIS. I am very proud of her and now co-own 3 more Bassets carrying the Kejana affix along with my parents and the breeder.

Since I got my Basset I have judged them on several occasions at Open Show level including the Special Classes at the BHC of Scotland Breed Club Show in 2015. I have judged Dachshunds and several other Hound breeds at Open Show level and look forward to doing them again at future judging appointments that I have been offered.

I cannot wait to judge the Special Classes at the Basset Hound Club Open Show and would like to thank everyone for giving me this opportunity to do so.

Miss Natalie Hirst

 15. All dogs resident outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
 16. **Dogs in Vehicles on Hot Days.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations.
Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.
- Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
- Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.
17. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
 18. No modifications will be made to the schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine press wherever possible.
 19. Any owner, exhibitor, handler or other person in charge of a dog is requested to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed event within the licensed venue and within the environs of that event including car and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.
 20. Should the Judge be prevented from fulfilling his/her engagement the committee reserve to themselves the right of appointing another judge to fulfill his/her duties. Exhibitors are at liberty to withdraw from competition but no entrance fee can be returned.

21. No person shall carry out punitive correction or harsh handling of a dog at any time whilst at the licensed venue including its environs, car park and caravan parks and approaches.
22. The owner, exhibitor, handler or other person in charge of a dog at Kennel Club licensed events must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This Regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).
23. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.

HEALTH AND SAFETY DECLARATION

Exhibitors and spectators are reminded that, just as the Basset Hound Club has a responsibility to ensure the health and safety of all those attending their event, exhibitors show at their own risk if conditions are not ideal and have a duty and responsibility for their own safety. They are therefore expected to take great care to avoid guide ropes, uneven surfaces and other hazards, which are inevitable and integral elements of a dog show. Those bringing and using portable items of equipment such as folding chairs, trolleys, cages, and grooming tables also have a responsibility to ensure that their tools, equipment and collapsible furniture is used and erected safely and does not constitute a hazard to others. Exhibitors are also reminded that they should wear appropriate clothing and footwear for the prevailing conditions on the site.
